No. 805/15.11.02

THE CITY MUNICIPAL OFFICE,
MYSORE.

Dated 14th November 1902

From

Mr. Kantharaj Urs Esq^r B.A.

PRESIDENT, CITY MUNICIPAL COMMISSION,
MYSORE.

To

The Assistant Private Secretary to H H the Maharaja

Through SECRETARY TO THE GOVT. OF MYSORE,
REV. & GEN. DEPTS.

Sir,

With reference to your memorandum No. 421 dated 7th October 1902 forwarding petition of Venkataramiah and others in regard to the condition of the cremation ground in the City and requesting to know whether what they stated in the petition is true and if so why it cannot be put back a bit in the future I have the honour to state that in the Kannarese petition forwarded with your memorandum above referred to, no mention is made regarding the cremation of the dead bodies near the road. The petitioners complain that the burials are now allowed to take place [illegible]

to Sri Chamundaswaree's Pada. This statement is true to a certain extent as burials of persons who are considered as "Guru" do sometimes take place within the precincts of the several mutts situated near about the Pada.

I will inspect this locality in company with the Vice-President and Health officer and the necessary action required will be taken in regard to burials of the kind above mentioned

In 1899 Survey No 1510 of Mysore village was acquired out of the Plague Funds and was set apart for the burial of the plague stricken dead. I regret to state that the extent of this Survey number viz 10 acres and 12 Guntas has very nearly been encroached upon by the adjoining Survey No 139 on which stands Hosamramma's Chattram has also been encroached upon and burials have taken place also within this number

The Palace Controller who is an

in charge of this Chuttrum has been addressed on this subject. These two numbers are close to the abandoned road to the foot of the Chamundi Hill.

Necessary steps will also be taken for allotting additional burial grounds.

The petition received with the memorandum under reply is herewith returned.

I have the honour to be

Sir,

Your most obedient Servant

M.C. 3513/1

Correspondence ending with letter no. 145 dated the 5th Feby 1903 from the President of the Municipal Commission, Bypoor City, regarding the burial close to Sri Chamundeswari Pada P.L. 1512

Order thereon No. 1253 dated 2/3/03 x.f 35 = 01

The President's attention is drawn to the necessity of urged of enlarging the burial ground in the city. It is also observed that a mere notice board put up at the side prohibiting the burials near the Pada is not enough and that the precautionary measures must be strictly enforced
